SwitchMaster[®] 1U TWO SLOT MODULAR SWITCH with R7400 Series switch cards

October 2019

1U Two Slot Rack Mount Chassis	6001336	1U 19" Chassis
Ethernet Controller Card	6001341	Includes MIB file & SwitchCenter GUI
RS232 Controller Card	6001342	
Logic-only Controller Card (supports ABC and ABCD switch cards)	6001343	
Logic-only Controller Card (supports AB and Dual AB switch cards)	6001345	
Independent Dry Contact Control Controller Card	6001344	
RJ45 A/B (2 to 1) Switch Card	6001068	Switches All 8 Leads
RJ45 Dual Channel A/B (2 to 1) Switch Card	6001061	"
RJ45 ABC (3 to 1) Switch Card	6001069	"
RJ45 ABCD (4 to 1) Switch Card	6001070	"
RJ45 CAT-6 A/B (2 to 1) Switch Card	6001062	Supports 10 GbE
RJ45 CAT-6 Dual Channel A/B (2 to 1) Switch Card	6001063	"
RJ45 CAT-6 ABC (3 to 1) Switch Card	6001064	"
RJ45 CAT-6 ABCD (4 to 1) Switch Card	6001072	"
Multimode Fiber Optic A/B (2 to 1) Switch Card - SC	6001073	Full Duplex, Multimode Fiber
Multimode Fiber Optic Dual Channel A/B (2 to 1) Switch Card - SC	6001074	"
Multimode Fiber Optic ABC (3 to 1) Switch Card - SC	6001067	"
Multimode Fiber Optic ABCD (4 to 1) Switch Card - SC	6001075	"
Singlemode Fiber Optic A/B (2 to 1) Switch Card - SC	6001076	Full Duplex, Singlemode Fiber
Singlemode Fiber Optic Dual Channel A/B (2 to 1) Switch Card - SC	6001077	"
Singlemode Fiber Optic ABC (3 to 1) Switch Card - SC	6001078	"
Singlemode Fiber Optic ABCD (4 to 1) Switch Card - SC	6001079	"
Blank Rear Panel	6000762-BLK	Covers 1 empty slot in Chassis
Wall-Mount Power Supply, US AC Plug, 100-240 VAC in, 12 VDC out	1827053	1 per chassis, or 2 for redundant power
Wall-Mount Power Supply, UNIVERSAL AC Plug Kit, 100-240 VAC in, 12 VDC out	1827056	1 per chassis, or 2 for redundant power
Desktop Power Supply with IEC input socket, 100-240 VAC in, 12 VDC out, Includes US AC line cord	6001352	1 per chassis, or 2 for redundant power

(leaded solder versions of the above items are also available by changing the part # from 6xxxxxx to 5xxxxxx)

NOTE: The part numbers provided above are for Latching Switch Cards, Non-Latching versions are also available. Fiber Optic Switch Cards are also available with LC or ST connectors. Dual Channel Switch Cards will be configured for Individual Control, unless Ganged Control is specified.
